

Conversations on Bias in Presentations (PD102510)

Section 2 | Culturally Inclusive Presentations

LEARNER ACTIVITY & RESOURCES

Learner Activity Instructions:

Now it's your turn. Spend the next 10 minutes on the following activity. Think about a presentation you are working on or might develop for the future.

Review the examples, scenarios, data, and imagery in your presentation materials.

- Do they reflect the range of diversity of your colleagues, other professionals, your clients and their caregivers, and contexts?
- Are inclusive examples authentic and relevant? Do they add something useful to the presentation?
- Are any depictions reinforcing negative stereotypes?
- Are the key takeaways from your presentation equally accessible to your audience?
- Take a look at the included guidelines for cultural responsiveness for thinking about different areas of diversity and some related considerations.
